January 2024

Imagine if we told you that change, as challenging as it seems, is indeed achievable? What if we told you that the secret lies in those tiny decisions you make every day? That's what we're going to discover with our new four-part series, **"Habits: Small Disciplines, Big Results."**

In this series, we'll unravel the secret behind the power of smaller actions, those small habits we may often overlook. These habits aren't just influencing how you perceive yourself at the present moment; they are shaping the 'you' of tomorrow, guiding you toward the person you want to become.

Through "Habits: Small Disciplines, Big Results," we'll discover how a few small habits can change how you see yourself today and transform you into the person you want to be tomorrow.

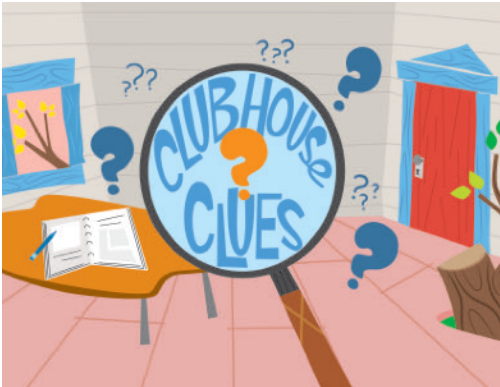

The pull of our past can be strong, but the prospect of a better future through positive habits is even stronger.

Join us in this exploration of how small disciplines can create big possibilities. You'll be surprised to see how dramatic transformations come from the simplest habits.

It's a new year once again, and for many, that means you are looking to establish new habits or come back to some that drifted. We want to help! Corinth is now on the Bible App. You can select Corinth as your church! Simply, Select "Discover" and then "Churches" and you'll see Corinth as an option. Once connected you will see some Bible reading plans suggested and you can connect with others to stay connected in the Scriptures this new year. I know I always set ours to make Scripture a rhythm in the new year. So, check it out, get connected let the rhythm of scripture guide you in this new year.

What's Going On...

Preschoolers are learning a lot of important things. How to put away their toys. What is wrong. What is right. When to say please, thank you, and I'm sorry. But learning important things doesn't stop after preschool. It never stops! That's why we want to make sure preschoolers know that they have the BEST Teacher teaching them important things—the MOST important things—for the rest of their lives. And He wants to be their friend forever! Yes, it's Jesus! So get ready to search for some CLUBHOUSE CLUES and help preschoolers discover that **Jesus teaches me important things.**

MEMORY VERSE

"THE PEOPLE WERE AMAZED AT HIS TEACHING."

MATTHEW 7:28, NCV

KEY QUESTION

WHO TEACHES YOU IMPORTANT THINGS?

BOTTOM LINE

JESUS TEACHES ME IMPORTANT THINGS.

Happy New Year! This month in Elementary, we're learning about responsibility. From work we need to accomplish, to people we meet, to the words we use, life is filled with moments where we can decide to reflect God's character, take responsibility, and use what we have wisely. When we follow through and do what needs to be done, we can point others to Jesus, the One who took the ultimate responsibility for us and made it possible for us to be with God forever.

- Jeremi and Jenni

Thank you so much for the gifts and sweet treats that so many of you brought by the office this holiday season. Tristan and I are so blessed to call this place home.

Merry Christmas!
Luke and Tristan

The joy of Christmas is the birth of Christ - but the reminder is the love of brothers and sisters in Christ. The Hardisons have been overwhelmed with the "Love." Thank you all for special moments, gifts, and smiles, and hugs!!!
