

# The Newsletter

**October 2024**

Join us for a four-week sermon series, “Kings and Kingdoms,” as we explore the lives of four kings from the Old Testament. Each week, we’ll dive into their leadership, character, and mistakes, discovering how their journeys reveal timeless lessons about facing challenges and growing through both triumphs and failures. See how God’s wisdom is woven through their stories, shaping His Kingdom in powerful ways!

Jude is the 5th shortest book of the Bible. A short letter, written by one of the brothers of Jesus himself! He challenges his audience (and us!) to contend for the faith. But contending doesn’t mean being contentious:) Rather, it has a lot to do with remembering our identity. Verse one of the book are three great reminders of

identity. *“To those who have been called, who are loved in God the Father and kept for Jesus Christ.”* Called. Loved. Kept. Three powerful reminders! You are called to make a difference, and you find yourselves in a long line of heroes like Moses, David, Elijah, Mary, and Jude! You are loved. Not just by God, but *in* God. In his family and promise of protection and inheritance. Finally you are kept. Preserved. Guarded. We certainly have a job to do—contending for the faith without compromise. Grace is not a free pass to abuse. But when we stumble and fall, we have the promise of the one who has called us in the past, the one who loves us in the present, and the one who is keeping us long into the future!

# What's Going On...

CORINTH KIDS  
EARLY CHILDHOOD

If you've ever been near a playground when an airplane flies by, you know the sound of the airplane is quickly followed by the sound of kids shouting with excitement! Their innate sense of wonder is immediately turned up as they ask questions like: Where do you think that plane is going? How big is that plane? How can it fly so high in the sky?

Today, our preschoolers will go to places like school, daycare, church, and grandparents' houses. We know God has plans for each of them, and as they grow, they will go to even more places that might be even further away. We want to make sure that wherever they go, they can look to God with a trusting heart and say, "Let's fly!" because they know God is always with me.

## GOD VIEW:

**The Connection between self-control and God's character, as shown through God's big story:**

There are a lot of choices that we need to make in life. Some of those choices can help us grow and shape us positively. Others can pull us in different directions, leaving us struggling to figure out which choice is best. What do we do when we're confronted with all of these choices? Do we rush ahead? Or do we pause and let God lead us toward the best way to act? Self-control is a fruit of the Spirit. It's one of the ways we can tell that God is transforming our lives and that we're growing in our faith. Thankfully, we don't have to find self-control on our own. When we follow Jesus, God's Spirit is with us and helps us make the wise choice.
