January 2026

Last fall, we launched our first round of Rooted, a 10-week discipleship small-group experience—and God did incredible things. We witnessed life change, baptisms, deep friendships, growing community, and powerful next steps. Rooted reminded us that circles truly are better than rows.

People stepped out in faith, formed meaningful relationships, and experienced growth that extended far beyond Sunday mornings. It was inspiring to see how small groups can shape lives, spark honest conversations, and create lasting connections.

This February, we're excited to offer another round of Rooted on Sundays from 5–7pm, with childcare provided. If you're looking for a place to grow, connect, and take your next step, sign-ups open soon—don't miss it!

If it's really good news, it should feel like good news.

As we begin a new year, this three-week series through Romans 1:1–17 invites us back to the heart of the gospel and why it still matters for real life. The message of Jesus speaks into our relationships, our past, our future, and the everyday pressures we carry. If you've ever felt left out, not enough, or unsure where you stand with God, this series is for you. Come discover how the good news of Jesus brings hope, freedom, and purpose. Right where you are, and right now.

What's Going On...

God sent His one and only Son, Jesus, into the world because of His deep love. Jesus extended that love to the people He hung out with as He traveled and taught. In this series, kids will be introduced to the love Jesus has for all people, including them. He wants to be with us every day. He sees each of us for who we are and knows our needs before we even tell Him. Jesus offers love and care like no one else can, and His love is so great that He eventually died on the cross to save us from sin. Jesus loves us more than we can even imagine, and He invites us to hang out with Him ... forever!
