August 2026

We're continuing our series, **Living the New Way**, as we journey through Romans 12 together. After eleven chapters explaining the gospel, Paul shifts the focus to one powerful question: What does it actually look like to live like it's true?

Together, we're discovering how the gospel transforms the way we think, serve, love, respond to difficult people, and honor God with every part of our lives—not just on Sunday mornings. Whether you've been with us from the beginning or are just jumping in, there's a place for you as we learn what it means to truly live the new way.

Pastoral Care at Corinth

Galatians 6:2 says, "Carry each other's burdens, and in this way you will fulfill the law of Christ." That's part of what it means to be a church.

Whatever you're carrying — a diagnosis, an upcoming procedure, a loss, or just a season that's heavy — let us know.

Contact the church office at 770-466-4373 or info@corinthchristian.org. We will pass along your prayer need to our pastoral care team for follow up.

Interested in serving on the pastoral care team? Contact Josh Moore (josh@corinth.cc) to learn more.

Who is your ONE? That's a question we often ask around here at Corinth—the person God has placed in your life so you can be his hands and feet to them. It could be a neighbor, co-worker, friend, family member, store employee, mail-delivery person, or someone you see at the gym. Now that August is back to school, people are moving, getting back into routines, and they might be more open to an invitation from you! So, who is it? Someone who hasn't been to church before? Someone who hasn't been in a while? Someone new to the area? Your kid's coach? Your grandson's teacher? Look for ways to bless them, listen, have conversations, and invite them to join you. We've been so grateful for your faithfulness in praying, inviting, and watching God call your ONES. Thank you! Keep up the wonderful work, and let's ask God to do what only he can!

What's Going On...

This month in Corinth Kids, our children are discovering one of the foundational truths of our faith: because we are known, loved, and led by God, our lives can reflect His wonder to the world.

Throughout the Bible, we see that God has always known, loved, and faithfully led His people. Even when they wandered or chose their own way, God never stopped pursuing them with grace, forgiveness, and love. The same is true for us today. Through Jesus, we are fully known, deeply loved, and faithfully led into a new way of living.

As families, we encourage you to continue the conversation at home. Remind your children that God's love isn't based on what they do—it's based on who He is. As they learn to trust Him and follow His leading, their lives can become a beautiful reflection of God's love and wonder to everyone around them.

Big Idea: Because I am known, loved, and led, my life can tell of God's wonder.

Middle School is back on August 9th.

We're starting with a series called: "You be You." This four-week series will help students embrace their God-given identity, refuse the labels the world tries to assign, and become who God says they already are.

- In this four-week series, students will learn:**
- Session 1:** You aren't an accident.
 - Session 2:** The world doesn't get to tell you who you are.
 - Session 3:** God didn't design you to be a copy.
 - Session 4:** It's okay to be a work in progress.

THANK YOU!

Thank you for all the cards, treats and calls and visits Larry has received from you. They always come when we need them most. But we are most grateful that we are member of a body of believers who believe in the power of prayer. God has heard your prayers. He is making Larry stronger and healing him. Larry is walking now and learning other do the things he has to do before he can return home. We believe that will be soon.
Love,
Dean Willard

Dear Corinth Family,
Thank you for showering us with love for our 60th anniversary at Corinth and these past few months. All the special touches on the day will not be forgotten from the song, to the video of you all, to the scholarship in Don's name. Your cards, meals, and visits warm our hearts. We thank God for you and how you love us beyond measure.
