October 2026

The gospel was never meant to stop with us. As Paul reaches the end of Romans, he is looking ahead. There are still people who need to hear about Jesus, places the message still needs to go, and work God has given His people to do. Paul is not content to simply celebrate what God has already done. He is focused on where the gospel needs to go next.

In **Faith That Moves Forward**, we'll look at Romans 15:14–33 and ask what it looks like to help move the message of Jesus forward. Paul shows us a faith with purpose, a faith willing to go, and a faith that understands none of us accomplish God's mission alone. The gospel moves through people who pray, give, serve, support, encourage, and say yes to the work God puts in front of them.

The question is simple: **How is God moving the gospel forward through us?**

Join us beginning October 11 for **Faith That Moves Forward**.

Are you aware that each week, over 250 children and students enter our ministry (or are brought in carriers!) at Corinth? This is essentially a church within itself! These figures are more than mere statistics; **they symbolize individuals**. A preschooler discovering that Jesus loves them. A third grader opening a Bible for the first time. A sixth grader finding a supportive group of friends to help them trust Jesus during the challenging middle school years. A high school student grappling with their beliefs and realizing that their faith can be personal.

When we discuss **investing in the next generation,** we are not referring to a secondary ministry or an activity to keep kids occupied on Sunday mornings. They are not merely the "church of the future." They are significant today, and the stakes have never been greater.

What actions should you take?

Pray: Pray for Jenni, Macy, and Luke as they lead ministry teams to disciple children and students into a lifelong faith in Jesus.

Encourage: Write a note, give a gift card, or make a phone call or text to someone involved in Next Generation Ministry.

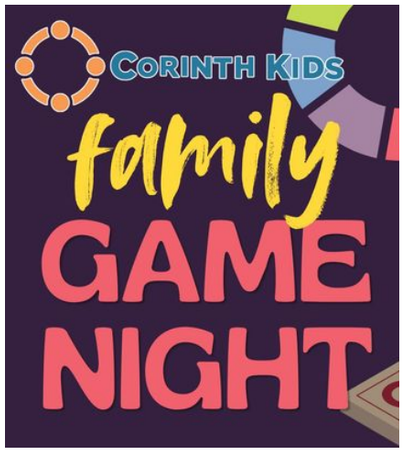

Step up: With over 300 roles to fill each week, we need more people to serve Jesus by caring for babies, teaching classes, leading 4th graders in small groups, or participating in Middle and High School ministry. Perhaps God is calling you. You are not merely performing a job or showing up to work. You are investing in souls that will spend eternity somewhere.

October is Pastor Appreciation Month! We are so grateful for the pastors God has given Corinth and the many ways they faithfully serve, lead, teach, pray, encourage, and care for our church family. Much of what they do happens behind the scenes, so this month, let's make sure they know how much they're appreciated! Send a card, write a note, bring a small gift or treat, or simply take a moment to say, "Thank you." A little encouragement can mean more than you know!

Pastoral Care at Corinth
Galatians 6:2 says, "Carry each other's burdens, and in this way you will fulfill the law of Christ." That's part of what it means to be a church.
Whatever you're carrying — a diagnosis, an upcoming procedure, a loss, or just a season that's heavy — let us know.
Contact the church office at 770-466-4373 or info@corinthchristian.org. We will pass along your prayer need to our pastoral care team for follow up.
