

The Newsletter

April 2024

Have you ever turned on the news or scrolled your news feed and wondered, “What in the world is going on here?” Have your questions ever led you to a place where you find yourself wondering if you’re living in the last days before Jesus returns? Whether you’re seeking answers, encouragement, or simply a deeper understanding of Scripture, “It’s the End of the World?” will offer valuable insights and guidance for navigating the challenges of today’s world with faith and hope. Join us and equip yourself for the days ahead!

Someone recently asked me, “What are y’all doing for Spring Break?” Well, as you read this, my kids are on spring break and I’ll tell you what we’re doing: NOTHING. This year we didn’t go anywhere or plan to do anything crazy or out of the ordinary. I, for one, am grateful for a week to rest. I’ll still go to work, but the pace of life is a bit slower. We’re not rushing to practices, games, vacations, or meetings. We just are. I listened to a sermon lately where the preacher asked the question, “Are we saved by works?” The crowd immediately answered, “NO!” But then the preacher said, “Wrong. You are saved by works...just not yours.” I thought it was a fun little way to remind us all that we can rest because Jesus has done the work. Our place in the family of God was purchased by His works not mine! So, enjoy the rest of spring break if that applies to you. But more than that, rest in Jesus’ finished work on the cross.

What's Going On...

Have you ever been somewhere where it was so dark you couldn't even see your hand in front of your face? No light shining under the door. No stars in the sky. No screen glaring back at you. Just darkness. So much darkness that you have to shuffle slowly, stumbling your way across the room with arms stretched out, hoping, searching . . . and then finally, with the flip of a switch, LIGHT! Light changes everything. This month, we're talking about light, but not just any light. We're talking about Jesus—the light of the WORLD—and how when we do what Jesus says, we shine. We shine the light of Jesus! After this month, we hope every time you and your preschoolers see a lamp or a star-filled sky, you remember that people were made to shine, and we have Jesus—the light of the world—to show us how. So let's not hide our light. Let's SHINE and light up the dark so others can see their way to Jesus.

KEY QUESTION

**WHO CAN DO WHAT
JESUS SAYS?**

BOTTOM LINE

**I CAN DO WHAT
JESUS SAYS.**

This month in Elementary, we're learning about the connection between patience and God's character, as show through God's Big Story. Waiting is a part of life. Thankfully, we don't have to wait on our own. Through the Holy Spirit, God can help us experience the patience we need to wait well. After all, God is patient with us. God is in control and knows what's best for us. We can lean on God's Holy Spirit to give us the strength we need to trust God and show patience with the difficult circumstances in our lives.
